

FORK MOUNTED EXTENDING JIB (IAEJ-1.0-OP)

PRICE: £1,672.00

Brand: KRIDAN ATTACHMENT

WE CAN SUPPLY FORKLIFT MOUNTED EXTENDING JIB -5 DIFFERENT MODELS

The Height Adjustable Extending Jib has all the characteristics of the standard incline fixed jib with the additional benefit of angular lifts. This allows tall and awkward loads to be lifted by increasing the lift height of the forklift truck or tele handler.

Approximate lead time: Approx 2-3 days
