

## **BOTTOM EMPTY SKIP (IBE-1)**

**PRICE: £1,080.00**

Brand: KRIDAN ATTACHMENT

Automatic Bottom Empty Skips allow the simple but effective disposal of light to medium weight waste when being automatically emptied into high sided yard skips via the base release mechanism, without the driver leaving the safety of his seat.

Approximate lead time: Approx 2-3 days

# **FORKLIFT SKIPS & FORKLIFT TIPPING SKIPS**

Shifting and disposing of waste materials can be time-consuming and dangerous, but not when you have our forklift tipping skips on site.

Forklift skips help make it quicker and easier to keep working areas debris-free.

Used sector-wide and designed to make light work of everyday waste handling tasks, our forklift skips are available in a range of models. From standard and heavy duty, to auto tipping skips and manual operation, choose

the forklift skip best suited to your site.

## ALL OF OUR TIPPING SKIPS ARE MANUFACTURED ON SITE BY OUR TEAM OF ENGINEERS, USING THE HIGHEST QUALITY MATERIALS

Our entire range is CE-marked and provided with the latest health and safety test certification. Once ordered, forklift skips are available within just three days.

### CHOOSE BETWEEN OUR:

- **Automatic bottom empty skip** – automatically empty light to medium waste in high-sided yard skips without leaving your seat.
- **Low level skip** – can be easily positioned at the end of a conveyor, dross shoot or manufacturing line to collect bi-products below waist level. Manual/automatic options available.
- **Combi skip** – the unique four-way entry base simplifies the holding, moving and disposal of materials in confined areas. Manual/automatic options available.
- **Bespoke tipping skip** – need something to meet your specific waste handling requirements? We can design and manufacture it for you, simply get in touch to discuss what you need.
